

G98/NI Installer Declaration Form

Installer declaration

Declaration – to be completed by Installer for Micro-generators Tested to EREC G98/NI

I declare that the relevant **Micro-generators** and the installation which together form a **Micro-generating Plant** within the scope of EREC G98/NI at the above address, confirm to the requirements of EREC G98/NI. This declaration of compliance is confined to **Micro-generating Plant** tested to EREC G98/NI as applicable at the time of commissioning.
